

# **BALTIMORE CITY DOT COMMUNITY MEETING**

## **Park Circle Intersection Improvement Project**

**Thursday, August 27, 2015**

**The Baltimore City Department of Transportation will hold a public meeting regarding the Park Circle Intersection Improvement Project on August 27th at the Zeta Community Center.**

**The scope of project will include: intersection reconfiguration and roadway widening along Reisterstown Road and Druid Park Drive; pavement reconstruction and mill/overlay of all intersection legs; reconstruction of curb and gutter and sidewalks; construction of ADA-Compliant pedestrian ramps, bus loading pads, and driveway/alley entrances; construction of new bus pads and bus shelter foundation pads; installation of new pavement markings and roadway signage; new storm drain pipes, drainage inlets, and storm water management facilities; construction of new pedestrian lighting and conduit; construction of new signals; construction of a new retaining wall; installation of bicycle compatibility features; and, landscaping and beautifications.**

**The BCDOT welcomes the community to learn more and provide comments at a community meeting on Thursday August 27th, at the Zeta Community Center.**

**August 27, 2015**

**6:30 pm**

**The Zeta Community Center**
